**Community Action Team Society**

**An Organization Committed to the  
Enhancement & Growth of Our Community**

### Who are we and what do we do?

The Tilley **Community Action Team Society** is a group of individuals who have formed an organization committed to the enhancement and growth of our community. Our focus is to utilize and enhance the current assets Tilley possesses, to encourage tourism, and contribute to the growth of our community. The C.A.T.S. have worked on many projects in Tilley. Some include the flower planters, partnering with the Tilley Fire Hall in organizing the CP Rail Holiday Train, and completing the Green Space Park on Centre Street – continuing the progress made by the Village prior to becoming a Hamlet.

We also work hard to keep the community informed through this Newsletter.

Next Meeting: Tuesday, Jan 15 at 7 pm
